Developing Potential in All Students

March 26, 2018

NAEA Members:

Regions 3, 6, & 7, did not have candidate running in the 2018 NAEA Election. According to the NAEA Bylaws, a Regional Director for regions not represented on the NAEA Election Ballot will be appointed by the NAEA Board within 30 days of the NAEA election to complete the 2-year term in question. Candidates were sought from each of the three regions via a posting on the website and email blast to those specific regions. Candidates for consideration completed the Election Packet and were vetted for eligibility to serve. The NAEA Board agreed on the appointments of the following individuals.

I want to welcome the following NAEA Board appointees to their new Regional Director or At-Large positions:

**Region 3** - Michael Hylen (KY) has been appointed to the Region 3 Director position for 2 years to fill the vacant slot.

**Region 6** - Coby Davis (AR) has been appointed to the Region 6 Director position for 2 years to fill the vacant slot.

**Region 7** - Sean Hollas (KS) has been appointed to the Region 7 Director position for 2 years to fill the vacant slot.

The Executive Board, as per the NAEA Bylaws, has appointed the following At-Large positions for 1 year to support the NAEA Board in carrying out its mission and vision.

**Technology & Branding** -- Richard Thompson (MI)

**Advocacy & Research** -- Amy Schlessman (AZ)

Respectfully Submitted,

Pamela Bruening, EdD

NAEA President
